

ABLEKUMA CENTRAL MUNICIPAL ASSEMBLY

(Lartebiokorshie)

INTRODUCTION

Sanitation is a fundamental aspect of our daily lives, and understanding the laws that govern it is crucial for maintaining a clean, healthy, and sustainable environment. Sanitation bye-laws are local regulations that ensure proper waste management, hygiene, and public health. However, many of us are unaware of these laws, leading to unintentional violations and environmental degradation.

Objective

The objective of this sensitization program is to educate and raise awareness about sanitation bye-laws, empowering individuals and communities to take responsibility for their environment and contribute to a cleaner, healthier, and more sustainable future.

Scope

Over view of sanitation bye-laws

Importance of sanitation and bye-law

Key provisions of sanitation bye-law

Roles and responsibilities of individuals and communities

Benefits of compliance and consequences of non-compliance

Best practices for proper waste management and sanitation

Conclusion

It is our hope that, the same program will be replicated in the remaining electoral areas.
